DEPARTMENT OF ADMINISTRATION

2-Hour Delay for State Government Offices in Northwestern Nevada – Wednesday, February 18, 2026

The Nevada Department of Transportation (NDOT) and the Department of Public Safety (DPS) are reporting icy roads and potentially dangerous driving conditions in **Washoe, Carson, Douglas, Storey, Churchill, Mineral, and Lyon counties** this morning. **As such, Governor Lombardo has ordered a 2-hour delay for all State government offices (other than essential public safety and corrections personnel) in these counties this morning.** State government offices in these areas are to open at 10:00 AM today, Wednesday, February 18, 2026.

Employees are eligible for Administrative Leave for any hours of the employee's shift they do not work. Employees who start work earlier than 8:00 AM are eligible for more than two hours of Administrative Leave. Employees previously scheduled for Annual or Sick Leave during this time today are not eligible for Administrative Leave due to the 2-hour opening delay of State offices.

The safety and well-being of the State's employees are of the utmost concern to the Governor, and he urges them to drive carefully.
