Governor Joe Lombardo

Director Joy Grimmer

DEPARTMENT OF ADMINISTRATION

Early Closure of State Government Offices in Northwestern Nevada – Thursday, February 19, 2026

The Nevada Department of Transportation (NDOT) and the Department of Public Safety (DPS) are reporting increasingly deteriorating conditions to include icy roads and potentially dangerous driving conditions in **Carson City, Douglas County, Lyon County, Storey County, and Washoe Counties**. **As such, Governor Lombardo has ordered early closure for all State government offices (other than essential public safety and corrections personnel) in these counties.** State government offices in these areas are to close at 12:00 PM today, Thursday, February 19, 2026.

Employees are eligible for Administrative Leave for any hours of the employee's shift they do not work. Employees previously scheduled for Annual or Sick Leave during this time today are not eligible for Administrative Leave due to the early closure of State offices.

The safety and well-being of the State's employees are of the utmost concern to the Governor, and he urges them to drive carefully.
